

# Superior Transactions, Maximized Value

“The property marketing at NAI BT Commercial/Terranomics is a superior process, from start to finish, and drove **maximum value** for three unique transactions for Albertsons. They maintained a **high level of buyer interest**, demonstrated **remarkable market knowledge**, and provided straightforward, detailed information packages that helped our management team move quickly.”

*Andrea Nilson*  
Surplus Real Estate Manager  
Albertsons
